FETE GETS APPROVAL

Chamber Directors Indorse Floral Carnival.

CONFIRM COMMITTEE'S ACTION

Executive Board of Commercial Institution Opposed Proposition Advocated by Cincinnatians for "Daylight Saving"-Committees and Entrants for Automobile Parade.

ition which enthusiastic Cincinnatians have been pushing so vigorously. It was uggested that during certain months of Washington be asked to set forward their clocks one hour, thus bringing about a change of custom which would start work an hour earlier in the day and give them an hour more of daylight for pleasure in

A. Leftwich Sinclair opposed the proposition outright, holding that it would be productive of confusion and difficulties galore, which would more than offset any benefits which it might bring about. Allen D. Albert combated these fears, and gave a brief history of the new movement, showing that where it had been put into operation it had worked well and

Believes Scheme Has Merits. Cuno H, Rudolph said he had origally been inclined to look lightly upon ne idea, but upon investigation he had come convinced of its merits.

Mr. Gude was frankly of the opinion hat nothing was to be gained by such a hange, and Capt. Oyster was inclined to

y Mr. Sinclair was adopted by a vote f three to two declaring it "inexpedi-

ertising committee's plan to hold an aurprise and the amount of assistance with the advertising committee as to he trophies to be offered. The utmost nterest was manifested and the sentinent of the chamber was decidedly in favor of dealing with the enterprise in the most liberal way. The two committees named are as follows:

Committee on conference with the adertising committee-H. C. C. Stiles, W. S. Knox, and F. P. May. Committee on prizes-A. Leftwich Sin-

John C. Perry, of Alterd, N. Y., and Alice Devens, of Alexandria, Va., and Annie M. Hutchinson, of Prince George County, Md., and Laura Moutgemery, of Charles County, Md.

Public intrary-Open 9 a. m. to 9 p. m.; holidays. Miss Blanche Willison Rescued from Drowning.

> to Safety with Young Woman Who Fought to Drag Him Down with Her-Accident Occurred in Presence of Hundreds of Pleasure Seekers.

clasp which nearly choked him. In throw the shirt waist worn by Miss Willison.

collapsed from fright, but regained consciousness in a few minutes,

The accident occurred about 5 o'clock, when the towpath was thronged with pected discharges, the following list of young men and girls. Booker rented a promotions were announced yesterday:

Nashington" now.

Immediately following the meeting of the executive committee the board of the executive committee the board of the first face of the face of the first face of the first face of the first face of the face of the first face of the first face of the first face of t directors held a meeting and gave formal and enthusiastic indersement to the adrtising committee's plan to hold an au-mobile parade in September. A commit-

chief clerk, office of first inspector, from though there were scores of canoes and \$160 to \$165 a month, and Peter T. Sol- rowboats on the canal, none were near he part of the chamber. Another com-littee of three was named to confer day, in the lighthouse service.

berg, carpenter, from \$2.75 a day to \$2 a the lock. The canal grows wider at this point, and is about 100 yards from A large number of transfers and in- shore to shore. The water is more reases in salary were announced in the than eighteen feet deep, but there is only a slow current.

Miss Willison removed her hat and turned sideway to place it in the front of the canoe. Probably she leaned too far to one side, for at that instant the cance overturned, throwing the girl head foremost into the water. Booker felt the sudden lurch and tried to Private alleys being the joint property of abutting property owners, in which the Federal or District governments a second, he saw Miss Willison's head rise above the water.

sideration of the Commissioners for pav- water in her efforts to keep affoat. and frequently the repositories of junk she disappeared. He dived, but falled and filth, which are a menace to the pubtime to see the girl going down the Thomas; L. D. Moore, jr., Reo; Mrs. L. the superintendent to report to him all Willison threw her arms about his neck such alleys, with a view of instituting and clung desperately. Booker tried to condemnation proceedings or securing dedication of the title to the District goving the theory of the title to the District goving the theory of the title to the District goving the theory of the title to the District goving the theory of the title to the District goving the title to calm her, and made every effort to free himself, but she clung tightly. Realizing that both would drown unless he broke loose, Booker dived and swam for the bottom of the canal. Miss Willison clung to his neck until she swallowed several mouthfuls of water, and hen she let go involuntarily.

Reached the Shore.

pushed it to shore.

An innovation which promises to be-come popular has been introduced by Booker to the home of Manager Shore of Glen Echo. Half a hundred persons crowded about the couple and compli-

ranches of the course chosen by him and the home of Mr. Shore until 10 o'clock at branches of the course chosen by him and is given his diploma upon reaching the standard of efficiency established by the faculty.

The advantages of this system are obvious. Students who are able to proceed rapidly with their studies are not held back by the slower advancement of those whose circumstances prevent close atherospherical and the home of Mrs. Longstreet, 807 Eleventh street northwest, with a girl friend from Cumberland. Miss Susie Armentroute.

Booker is in Washington for the H street northwest; Elinor Slater, 424 mer. His home is at Durham, N. C., New Jersey avenue southeast Gladys O vhere he is said to be well connected. He is tall and of athletic build. years ago he saved the life of Miss Maria Woods, of Petersburg, Va., when the girl got beyond her depth while in bathing at Ocean View, Va.

Veteran Climbs to Hotel Roof and

Officials of the Navy Department have of bravery on the part of George F. Bray, a retired chief boatswain's mate, at the Revere Hotel, at Epping, N. H. applied for and received permission from the proprietor of the hostelry to place a flag pole and an American flag, his own property, on the roof of the building. On July 4 the hotel caught fire service of the Harbor crew to act as a the flag at the imminent risk of his life bright patrol.

Bray is a native of Boston, is about
